

Lab – Catchup / Clustering #2

*Data Mining, Spring 2017*

*Mathias Löwe (malw@itu.dk) | Daniel Sørensen (dafr@itu.dk)*

*Today's Lab: Catchup and optional exercises*

- Today's lab is mostly a catch up lab
  - Finish the previous labs
  - Or work on your individual assignment due on April 17th.
- Optional exercises:
  - Implement the GSP (Generalized Sequential Patterns) algorithm
  - Implement the FSG (Frequent Subgraph) algorithm

*Thanks for listening!*
